

George Verwer's 2005 Praise Ministry Report

We have been so aware of the Lord's blessing on our lives and ministry this past year. We are so grateful to those of you who pray and follow our ministry. I am sending this report of our preaching and teaching this past year.

Each day we experienced the Lord's strength, grace and encouragement. Here is a summary of some of the things in which we have been involved.

At the time of writing this, early December, we have had over 300 meetings. Even though some of my meetings are very small, I have spoken to about 100,000 people and have seen over 10,000 make some kind of commitment, usually in connection with global missions. I estimate that about 50,000 books and Bibles have gone out in the meeting in about 20 different languages.

We have had excellent student meetings in Liverpool, Cambridge and Regents College in England as well as other parts of the world. We continue to be motivated to challenge students regarding world missions.

In 2005 we ministered in following countries:

Argentina	Malaysia
Australia	Northern Ireland
Brazil	Peru
Canada	Portugal
Croatia	Scotland
Czech Republic	Singapore
Ecuador	Southern Ireland
England	Spain
Finland	Sweden
France	UAE
Germany	Uganda
Kenya	USA
Korea	Wales

Only eternity will tell the real results and I do want to thank all of you who have made this possible.

We have corresponded with thousands of people in about 100 nations. I am able to 'write' to many of you on the road as I am able to dictate letters almost anywhere. Thanks to the faithful typists, the letters get typed and sent out in London. With most letters we send powerful leaflets and sometimes books, tapes, DVDs, CDs, etc.

Almost everything we do is linked with some aspect of OM and often offerings that are taken at our meetings go directly to some aspect of the ministry. Other offerings and honorariums, which sometimes are large, go to Special Projects Ministries.

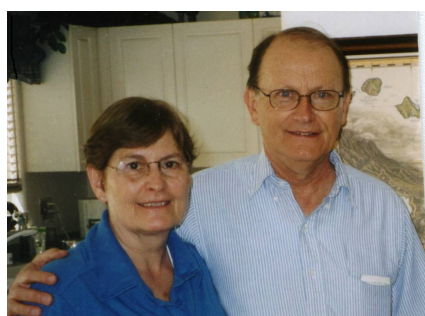

Recently a church in Northern Ireland at which we ministered took an offering for our HIV/AIDs Fund which came to over £4,000. Even in totally non-OM events we feel 100% part of what God is doing through OM under the leadership of Peter Maiden.

Travel

As we have travelled to various countries around the world, we are thankful for travelling mercies. We have been able to get good airmiles for which we are thankful.

We are thankful for safety as we have been on trains, planes and automobiles.

We were able to visit Logos Hope in Croatia and what a wonderful tool God has given to OM.

Without your financial help this vital part of our ministry would be impossible. Thank you for your love and generosity to us.

God bless you.
